March 14, 2021

Dear Friends of Care & Share

As we are at the first anniversary of the COVID pandemic, I want to thank everyone for their generosity in supporting Care and Share.

Because of your generosity we are able to:

- supply our clients with more food
- continue with food cards
- increase the number of Emergency Assistance to twice a year
- increase the Designated Assistance we give each month
- continue with our Spring, Thanksgiving and Holiday baskets
- supplied winter coats as needed

Plus: put new shelves in the Pantry to better handle our inventory and be more efficient.

I also want to thank our many volunteers who have shopped, moved, hauled, delivered, phoned etc. in spite of dealing with the virus.

You are the best.

Pat Payne
President
